PLEASE NOTE

Show management has received numerous telephone calls and personal notes from past exhibitors of the Hillbilly Hootenanny with concerns that some exhibitors were in the ring with llamas that were obviously groomed and suffered no consequence in the judging results.

If you are an exhibitor who cannot leave the farm for a show without grooming your llamas, then this is a show you should skip.

If we want this show to continue another year, we expect everyone to abide by the rules and bring your llamas ***UNgroomed***.

We can't emphasize this enough! If your llama(s) appear to have been groomed, the Llama Hillbilly Police will not allow entry into the ring. We want this to be a true Hillbilly Show and we will enforce this rule. We are not trying to offend anyone but encourage you to not enter if you cannot follow these simple rules. No refunds will be made at the show.
